Sir:

With reference to the marginally noted man I beg to state that this man was wounded through the right arm, causing fracture of lower end of the humerus, involving elbow joint. His arm is considerably deformed, the lower fragment being displaced backward, forming a sharp angle with the upper fragment. Movement of the elbow is limited from 150° to 70°. It is improving; the grip of right hand one-half of that of left.

In my opinion this man would not be able to fullfil his homestead duties.

Sir,

I beg to inform you that your Homestead and pre-emption, the East ½ of Section 22, Township 17, Range 5, West of the Fourth Meridian, will now be cancelled in accordance with the declaration of abandonment you executed.

You apparently desire to locate Half Breed Scrip thereon, and may be permitted to do so.

A copy of this letter is being forwarded to the Agent of Dominion Lands at Medicine Hat, who will allow you sixty days within which to complete the payment of the monies due in connection with the pre-emption and also to locate the Scrip, providing he is aware of no reason to the contrary.

I beg to say that location of Half-Breed Scrip on your homestead and pre-emption thereby exhausts your homestead and pre-emption rights, and you will have to complete the terms of payment owing to the fact that no duties are required in connection with such application.

According to your letter, your husband made entry in the spring of 1910, and as this date is prior to the Province taking over the administration of the natural resources, it might be that the Government of Canada, at Ottawa, would have some record.

It is therefore, suggested that you communicate with Mr. C. K. Sir,

With reference to your letter of the 20th ultimo, respecting your homestead and pre-emption entries for the South ½ of Section 31, Township 20, Range 10, West Fourth Meridian, I beg to say that as you did not perfect your proxy homestead entry by going into bona fide residence within six months from date of entry, it has been cancelled in the records here, the Agent of Dominion Lands at Medicine Hat being instructed to that effect. You must have been quite aware when procuring this entry that if the special conditions were not complied with, the Department had no alternative but to effect cancellation, and I may add that this action also cancels the preemption entry.

You are hereby given authority to re-enter for the lands in question within thirty days, upon payment of the usual fees.

Your obedient servant,

Assistant Secretary.

F.S.S. Translation from German.

Dominion Land Office,

Lethbridge.

I should like to excuse myself to the gentlemen in the office here, for in the month of February this year I have given the wrong section and wrong range. But unfortunately gentlemen I come from Germany, and indeed from the Rhine district, where I have never had this to do. Nor ever seen land taken up this way, like it is in Canada. I have bought out a quarter here behind the bush, with a great deal of water, on section 36, Range 2, Township 7, now the people from Dakota, who have settled here, say that the quarter belongs to Sec. 36, Range 2, Township 7, and I think that is so, and I thought it was Sec. 24, Range 3. Therefore I should like to beg the gentlemen in the land office here to kindly excuse me, because I did not do it intentionally.

Please gentlemen, if you have time, write to me promptly, because I am here on the prairie with my horses and can not work any more. I should like to make use of the fine weather for breaking. I wished to sow 25 to 30 acres in oats.

Yours respectfully,

Dear Sirs;

At one time I had filed on the N½ Sec.25 T.7 R.2 West of 4th, but abandoned same to take up my present location the S.W.¼ of Sec.18 T33, R.11.

I have 55 acres broken on the land that I abandoned and which cost me $3.00 per acre a total of of $165.00. This year I have had no crop, and I have gotten myself into very straightened circumstances for money with which to buy flour and the necessaries of living and I take this way of asking if you could in some way hasten the day when the money due to be returned me for my improvements will be returned.

Anything that you can do for me in this respect will be greatly appreciated, as I urgently need this money.

That I made entry for the above-mentioned land as a pre-emption
at the Dominion Lands Office at Medicine Hat on
the 16th day of April 1910,
and I now ask to have said entry cancelled for the following reasons, namely:

owing to losses (financial) I am unable to pay for it
or to fulfill the residence duties required

I have lived on my homestead the North-east Quarter
of the same section since the first of May 1910 continuously
until the present date.

I have broken about four acres on the preemtion
I commenced fencing but could not afford to continue
the full value of the improvements I have done will not
exceed ten($10.00)dollars

I do not intend to make re-entry until I am in better
circumstances financially

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Memorandum.

Mr. Hume.

Re application for patent of
Mr. Alfred Wendt for his homestead.
S.W.-36-16-2-W. 4th M.
(Not recommended)
Date of entry - 2nd March, 1917.

This man in his application for patent claims residence with his father on the North West quarter of Section 12, Township 17, Range 1, West of the 4th Meridian from January, 1916 to the 9th December, 1922, the date of the application for patent.

The Agent certified that Alfred Wendt furnished evidence showing ownership of the North West quarter of Section 12 from the 13th August, 1915 to the 29th April, 1921 and Ludwig Wendt furnished evidence of ownership of the North West quarter of Section 12 from the 21st June, 1921 to the 11th December, 1922 (Abstract of Title produced).

Ludwig Wendt made application for patent for the North West quarter of Section 12, Township 17, Range 1, West of the 4th Meridian on the 5th June, 1919, claiming residence on his homestead from the 1st May, 1916 to the 31st December, 1918 and from the 1st March, 1919 to the date of the application for patent. This would show that the father was in residence on the North West quarter of Section 12 during the time his son could count two terms of residence and three months and five days in the third term.

Under the circumstances, it will be necessary for the father to furnish a declaration showing that he was in residence for six months to complete the third term of residence

The homesteader advised the Agent of Dominion Lands, Lethbridge, on the 11th January last that both his parents died in 1921 and asked if it would be satisfactory if he furnished affidavits from three neighbours in regard to the residence with his father.

As the father was in residence on the North West quarter of Section 12 at the time he made application for patent and no doubt continued to reside on his homestead, please say if you will accept this application as satisfactory without calling for further affidavits as to residence of the father.

It is noted from the file that Homestead Inspector Bowyer reported under date of 29th November, 1923 that L. Wendt was deceased, and that his son A. Wendt was cultivating the land and endeavouring to liquidate his father's debts.

Abstract of Title shows that a caveat is filed against this land under the Tax Recovery Act by the Department of Municipal Affairs, and I would therefore request that a full report be made in connection with this land when you have an inspector in this district, also that - if possible - information be obtained as to therwhereabouts of August Henkel, who incurred a lien against this land.

The regulations did not require L. Wendt to assume this indebtedness at the time of entry, and the lien is not, therefore, registered against Title.

Acct. L. Wendt.

It is noted that you reported under date of the 29th November 1923 that L. Wendt was deceased and that his son A. Wendt was cultivating the land and endeavouring to liquidate his father's debts.

Abstract of Title shows that a caveat is filed against t is land under the Tax Recovery Act by the Department of Municipal Affairs , and it is, therefore, desired that you visit the land when next in the district and furnish a full report.

There is also indebtedness registered against this land incurred by Mr. August Henkel. You should also obtain any information you can as to his whereabouts. The regulations did not require L. Wendt to assume this indebtedness at the time of entry and the lien, therefore, is not registered against title.

Re: Account of August Henkel,
N.W. 12-17-1-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $8.75 was advanced to August Henkel on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 8.75	$ 16.20	$ 24.95

The N.W. 12-17-1-W.4th was formerly the homestead entry of the debtor whose entry was cancelled on the 14th of July, 1915. The land was re-entered upon by Ludwig Wendt who was not required to assume the indebtedness of the former entrant and patent issued in his name on the 15th of June, 1921, clear of any encumbrance.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the lien was never registered against the land and there is no further security it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

The undersigned has the honour to report:-

That Section 13 of the Alberta Natural Resources Transfer Agreement (ratified and given the force of law by the British North America Act, 1930) provides that all interests in Crown lands in the Province, upon the security of which any advance has been made under the provisions of the Soldier Settlement Act and amending Acts, shall continue to be vested in and administered by the Government of Canada for the purposes of Canada; and

That charges made against the lands hereinafter mentioned, to ensure loans advanced under the Soldier Settlement Act prior to the transfer of the natural resources, were recently withdrawn.

The undersigned is of the opinion that it would be in the public interest to place the Province of Alberta in a position to administer these lands along with those which already have been transferred to it, and he, therefore, begs to recommend that the interest of the Crown in the lands in question, which are hereinafter described, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the said Province, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion therein.

The accompanying Memorandum to Council concerns five quarter sections of land in Alberta which were excepted from the transfer of the resources by virtue of the provisions of Section 13 of the Alberta Natural Resources Agreement, since advances had been made upon the security of the lands under the provisions of the Soldier Settlement Act.

The charges made against the lands to secure the loans advanced under the Soldier Settlement Act were recently withdrawn.

In the case of lands in Manitoba, Saskatchewan, or Alberta, where charges under the Soldier Settlement Act have been withdrawn, it has been the policy to transfer the proceeds to the respective Provinces, so that they might be administered along with the properties which were transferred under the Resources Agreements.

This practice has the effect of placing the Provinces of Manitoba, Saskatchewan and Alberta on the same footing as the Province of British Columbia as regards lands in respect of which the charges have been withdrawn, since Section 22 of the Agreement relating to the transfer to British Columbia of the Railway Belt and the Peace River Block is so worded that it appears to vest automatically in the Province the lands on the security of which advances had been made, upon the charges being withdrawn. In the case of Manitoba, Saskatchewan and Alberta, the corresponding section in each of the Resources Agreements excepts the charged lands from the transfer absolutely.

It is recommended in the accompanying Memorandum to Council that the interest of the Crown in the lands in question, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the Province of Alberta, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion in the same.

MEMORANDUM,

Mr. Dixon,

N.W.¼- 2- 57- 8- W 4th M.
Cancelled homestead R.Dobson.

Is the above entry to be restored ?

Mr. Dobson made entry on the 19th of April, 1910, and his entry was protected until the 1st of April this year.

He failed to satisfy the Agent by this latter date that he had commenced the duties and cancellation proceedings were instituted on instructions from this office.

Mr. Dobson failed to file a defence and on the 4th ultimo the case was submitted to you and you ordered cancelation.

The Agent now forwards a declaration from Mr. Dobson dated the 11th instant claiming the residence and improvements shown on the farm beneath.

You will see from this form that Mr. Dobson's entry is still in serious default in regard to cultivation although he was in residence before the protection period expired and at the time of cancelation.

Mr. Dobson says as follows;-

" I was not aware that there were cancellation proceedings taken on my land not having received any notices. My Post Office has always been Boydale. As I have been living continuous since last March and have done above improvements, and my intentions for the future is to strictly comply with regulations, for these reasons I ask to be restored."

Respectfully submitted.

ACTION TAKEN C. C. P.

Sir,-

I beg to inform you that in view of the evidence contained in your declaration of the 11th instant, it has been decided to release your entry for the above described land, free of charge, by the agent in charge of this letter being instructed to take the action. However, your entry is still in default as to cultivation, the cancellation proceedings are not being abandoned but will be held over until the 1st day next, by which date it will be necessary for you to satisfy the local agent that you have increased your breaking to the full area required by the regulations, namely fifteen acres. If you fail to satisfy the agent to this effect or if your entry is reported in default in regard to residence or cultivation, it will not be possible for the Department to allow further extension and your entry will be cancelled.

Gentlemen,-

I beg to acknowledge the receipt of your letter of the 27th ultimo, in connection with the N.W. ¼ of Section 2, Township 57, Range 6, West of the 5th Meridian, the homestead of the late Robert Robson, and in reply am to inform you that if your Company intends to prove up this estate it will be necessary for you to undertake the completion of the necessary improvements and cultivation.

I may add that cancellation proceedings are pending and but will be held in abeyance until the 1st of July next, on condition that fifteen acres are broken on the quarter section in the meanwhile and that you satisfy the Agent of Dominion Lands at Edmonton by the date mentioned that the work has been satisfactorily completed.

It is observed that you are apparently unable to ascertain the whereabouts of the deceased entrant's relatives. In his application for entry the late Mr. Robson stated Yorkshire, England, to be the country of his birth. At time of entry he claimed to be a single man. This information may be of some assistance to you.

Gentlemen,-

I beg to acknowledge the receipt of your letter of the [illegible]th ultimo enclosing Letters of Administration issued in your favour in the matter of the estate of the late Robert Wilson who, during his life time, took up as a homestead, the N. E. ¼ of Section [illegible], Township 57, Range [illegible], West of the 5th Meridian, and in reply am to say that as your assignment of the land in favour of Mr. Roy Lilloe appears to be satisfactory, the local Agent of Dominion Lands at Edmonton is being instructed to give Mr. Lilloe thirty days within which to make entry for the quarter-section referred, of course, he is eligible. You should furnish the local Agent with Mr. Lilloe's address, and you should also advise the assignee that it is very important that he should make his entry within thirty days.

The date of the original entry will hold and it will only be necessary for the assignee to fulfil the unexpired settlement duties.

He steered ere today, and made the enclosed applic-
ation, also the declaration attached, to the proper
form, and is now he says to be called Fay Hillis, in-
stead of Hagner, his story of name.

Before putting his entry through, I thought
it better to submit the matter to the Department, and
would state that a Trust Receipt # 2372 issued to Mr.
Hillis today for $10.00 being the fee paid by him in
connection with his application.

My impression was that it was unnecessary
for a person to whom a homestead had been assigned by the
Administration, to swear and make application for entry. I
thought that so long as he satisfied this office by declar-
ation, or otherwise, that he was eligible to homestead
entry, that that would satisfy the requirements of the Act.

Sir,

H.C., Ref. / 21.0344.

With reference to the transfer of the entry for the N.W. ¼ of 2-37-5 W.5th, by the trustees of the estate of the late Robert Dobson to Eugene Eugene Miller, some times called Jay Miller. I would say that Mr. Miller called on me some time before procuring an assignment of the rights of the deceased homesteader from the Standard Trusts Co. who were acting as Administrators of the estate, and informed me that he at that time held entry for the S.E. ¼ of the same section. On inquiry from the Department to ascertain whether or not he could have the assignment legally made to him while he held entry for other land, it was ascertained that it was contrary to the regulations, and he abandoned his entry for his homestead, procured authority from the Department to homestead again, purchased the N.W. ¼ from the Standard Trusts Co., and procuring the assignment, then re-entered for his former homestead.

He asked me if it would be legal to do this, and by reading of the regulations gave me to understand that this could be done.

According to Departmental letter of the 9th inst., to the Standard Trusts Co., file # 21.0344, he is asked to appear here, and make entry for this land within 30 days from a date given in by this office. We

Mr. Hume.

Re, W.½-2-57-8-W 5th M., which was assigned to Regnor N.Lilloe, under Section 19 of the Dominion Lands Act.

Mr. Lilloe then made homestead entry for the S.E.¼ of the same section.

As some doubt apparently existed whether Mr. Lilloe could hold both entries at the same time, the case was submitted and the Deputy Minister decided that it would be perfectly legal providing the settlement duties on each quarter section were carried out in strict accordance with the regulations.

Mr. Lilloe now makes application to be permitted to perform the settlement duties in connection with both quarter sections by residing on the North West ¼, the land which the legal representative of the late homesteader had assigned to him.

The Agent requests a ruling, as both lands are held under homestead entry and patent has not issued in either case.

This residence must be performed on the respective lands or on land of an area of at least eighty acres situated within nine miles and owned solely by you or an authorized relative.

Replying to your letter of the 8th ultimo, enclosing a statutory declaration executed by Mr. Ragnar Magnus Lilloe in defence of the cancellation proceedings instituted against his homestead entry for the above described land, I beg to say that it is considered advisable, before taking further action, to have a report made by a Homestead Inspector in reference to the manner in which Mr. Lilloe is fulfilling his duties.

I might remind you that Mr. Lilloe holds entry as assignee of the legal representative of the late R. No cancellation proceedings are pending against the late Mr. Ludvigson's entry for the N.W.¼ of 18--30--6, W.3rd M., and I am to express regret that owing to a clerical error you were notified on the 25th of last November that such proceedings were pending against the entry in question.

who had already obtained patent for a quarter-section as an assignee of a deceased entrant and the Departmental telegram of the 28th ultimo is to the effect that if a person has obtained a patent as assignee for a homestead of a deceased homesteader he is eligible to be again appointed the assignee of a deceased homesteader provided he is still entitled to make entry for an ordinary homestead.

In your letter now under consideration, however, you state that you wish to assign the N.W.¼ of 18--30--6, W. 2nd M. to a farmer who has already had a homestead. If the homestead referred to is the homestead of a deceased entrant, and the person to whom you refer was the person to whom the homestead had been assigned, there would be no objection to your assigning the quarter-section in question under Section 19 of the Act provided the person you have in mind is entitled to make entry for an ordinary homestead.

If your client, however, has made entry for an ordinary homestead under Section 16 of the Act, he cannot be appointed the assignee of a deceased entrant, as Section 19 of the Act explicitly sets out that the person to whom a homestead of a deceased settler is assigned must be eligible to make homestead entry.

On the 27th November last you wired the Department as follows:-

"Can we as administrators assign an unpatented homestead to a party who has already proved up one under section 19 of the Dominion Lands Act."

On the 28th December a telegram reading as follows was sent you:-

"Regarding late Emil Ludvigson, North West eighteen, thirty, six, third, it is not intention to deprive person who has homestead of deceased entrant assigned to him, of his right to make homestead entry. The fact that a person has had one entry assigned to him in this manner does not deprive him from having another assigned to him later on, but cannot be assignee in two cases at same time."

Unfortunately your letter of the 16th ultimo bearing on this matter was inadvertently mislaid, and it has only just been brought before me for reply.

In looking over the papers relating to this matter, it would appear from your telegram of the 27th November last that you wish to assign an unpatented homestead to a person

This Department is in receipt of your letter dated the 5th instant having reference to a semi grain, relief and fodder account which you have against the above land granted to Louden D. Kennedy in 1915 and 1916.

Kindly be advised that this quarter comprises part of the land held under Grazing Lease No. 32330 by Edward Waldbauer of Walsh, Alberta, whose lease does not expire until May 1st, 1964.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose.

Re: Account of L.D. Kennedy
S.W. 28-7-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $353.36 were advanced to L.D. Kennedy on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 353.36	$ 101.70	$ 855.06

The S.W. 28-7-1-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 17th of August 1917 and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionaire of the 5th of September 1924, W.J. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"This Department is in receipt of your letter dated the 5th instant having reference to a seed grain, relief and fodder account which you have against the above land granted to Louden D. Kennedy in 1914 and 1916.

Kindly be advised that this quarter comprises part of the land held under Grazing Lease No. 3430 by Edward Waldbauer of Bulyea, Alberta, whose lease does not expire until May 1st, 1964.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Re: (a) Account of C.L. Sanders
S.E. 36-3-9-W4
(b) Account of Alex Kanig
S.E. 36-3-9-W4

The matter of [illegible] for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

(a) In 1918 seed grain amounting to $[illegible] was advanced to C.L. Sanders on the security of the above mentioned land. A payment of $41.[illegible] was received in 1920 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 64.66	$ [illegible].12	$ [illegible].78

(b) In 1921 seed grain amounting to $[illegible].00 was advanced to Alex Kanig on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ [illegible].00	$ 21[illegible].65	$ 311.65

The S.E. 36-3-[illegible]-W4 was formerly the homestead entry of C.L. Sanders on which security he obtained an advance of seed grain in 1918. His entry was later cancelled and was re-entered upon by Alex Kanig whom agreed to assume the indebtedness of the former entrant. He also on the security of the S.E. 36-3-9-W4 obtained an advance of seed grain in 1921. He never completed the requirements in respect of his homestead and his entry was also cancelled.

The debtor moved from this part of the country with a view to re-establishing himself elsewhere. All attempts to collect from him were without result and by 1930 all trace of him had been lost.

According to Abstract of Title the land now stands in the name of The Director, The Veterans Land Act, Edmonton, Alberta, clear of all encumbrance.

As the liens were never registered against the land and there is no further security for our advances it is recommended that the indebtedness be cancelled.

C.H. Gilchrist.

S. W. ¼-35-13-3-W.-4th-Mer.

The Agent of Dominion Lands at Medicine Hat has forwarded here your declaration of the 16th ultimo, in further defence of the cancellation proceedings pending against your homestead entry above mentioned, from which it would appear that you have been in continuous residence upon your land since the 3rd of April last, with fifty acres of breaking, forty-six in crop this year. In view of this information it is not understood why you have been inconvenienced by cancellation proceedings being filed against you, and the aforesaid Agent is being instructed by a copy of this letter to call upon the applicant for inspection to furnish an explanation as to why this action was taken. Should the Agent receive no reply to this communication within twenty days the proceedings outstanding will be abandoned forthwith.

I may inform you that time spent by you in camp attending to military duties may be counted to your advantage as residence, when applying for patent for your land.

1st March, 1916.

With reference to Mr. Walker's letter enclosing soldier settler settler, Mr. [illegible] which he reports that the [illegible] indebtedness incurred by T. L. Walker, former [illegible] this quarter section, be removed [illegible] may secure entry without [illegible] indebtedness, in view of the fact that [illegible] taine by Mr. Walker was sown on [illegible] S.E. 24-13-3 14th, no land on the homestead being [illegible] I beg to state that according to our records the only breaking done on the half section was fifteen acres on the S.E.24, which was done in 1915. The Homestead [illegible] sector reports that the breaking has not gone [illegible] crass, and is of no value. There is no record of any breaking being done on the pre-emption.

I might state that the pre-emption is a soldier grant also, being entered on by one, Edward Williams.

Under the circumstances above stated, I do not think the Department would be justified in accepting the entry on the pre-emption to secure the total indebtedness, and would, therefore, suggest that it be equally apportioned between the quarter sections.

For your information I might state that on his application for seed grain Mr. Walker stated that he had rented the S.E.24-13-3 14th. It is [illegible] that the seed of the [illegible] obtained was sown on this quarter section.

You will note that the seed grain [illegible] signed by Wyman Jenkins, Thomas Lee and Mrs. [illegible] and on the application Thomas Carlson is stated to be [illegible] registered owner of the S.E.24. Pre-emption - Magnus Carlson,
Date of entry - 11th April, 1910.
Homestead patented - 2nd May, 1914.
Cancellation proceedings outstanding.

The amount due on the above pre-emption with interest to the 1st November, 1926, is $774.62.

Inspector Bowyer while on collection work reported 16th May, 1927, as follows:-

Improvements: fencing - $60.00.

General Remarks:-

"I beg to report that
"Mr. Carlson has vacated; the land is
"rough and hilly and very stony and
"unfit for agricultural purposes or
"stock homestead. I would recommend
"cancellation and the land listed as
"grazing land only".

Cancellation proceedings were commenced against the entry, 9th June, 1927.

Mr. Carlson who is living in Lethbridge has filed a defence. He claims he had ten acres broken on the pre-emption in 1921. In answer to question 18 on form 36B, dated the 26th July last, Mr. Carlson states:-

"Poor crops owing to
"drought. I hope to be able to make a
"payment this fall. I have my homestead
"and pre-emption rented on crop payment".

According to the Inspector's report, there is no cultivated land on the pre-emption.

I would suggest a final notice until the 15th November to make a substantial payment on account of the land.

Dear Sir:

Re: Excelsior Life Insurance Company
vs. Magnus Carlson - Distress -
Our file 12863N Yours 1602

We acknowledge receipt of your letter of the 11th instant quoting the contents of a letter you have received from the Agent of Dominion Lands, Lethbridge.

We note that their statement they have a prior claim on the goods under seizure herein by virtue of a lien given by Magnus Carlson, Theo L. Basner and Thomas Lee. Why Magnus Carlson should be held responsible for Theo L. Basner and Thomas Lee's liens we do not know. Furthermore we note that their lien covers another half section as well as the quarter section on which the crop under seizure herein was grown. We would suggest that if the Government wish to realise this lien they instruct you to seize the whole crop growing on these lands, as our seizure only covers a very small portion thereof. We note that the Agent does not state in his letter whether this lien is for relief, seed grain or fodder. If it is for seed grain or fodder then the Government has no priority on any crop on this land.

We do not recognize the priority of the claim of the Government.

Representations have been made by the Soldier Settlement Board as follows:

"With further reference to your letter of the 13th ultimo, concerning relief indebtedness incurred by a former entrant, in connection with the above described land, would advise that in view of the large amount concerned we obtained a full report with respect to the land in question from the District Superintendent of the Board at Calgary.

We are informed that this quarter section is only worth $200.00 at the outside and is situated in a district which is practically abandoned. All schools in the district are closed and the quarter section is cut up by ravines and hills. This land and the South West quarter of Section 31, Township 13, Range 4, West of the Principal Meridian, the settler's patented homestead, comprise the original security in connection with which the settler is indented to the Board to the extent of $2271.08. Subsequently the settler requested and was granted permission to move to another district where he eventually purchased a quarter section, the Board advancing an additional loan of $3400.00 for this purpose. This settler's indebtedness as at the 30th of September, 1929, before crediting him with the reduction on his indebtedness allowed under recent legislation, was $6460.63.

The Board is desirous of effecting a sale of the settler's original holdings if possible, in order to reduce his indebtedness. In View of the situation which has arisen in the district where these lands are situated, however, the lands are practically unsaleable. We would, therefore, appreciate advise as to whether it is possible for the Department to cancel the indebtedness incurred by the former entrant."

This was the lienee's homestead entry which was cancelled on the 4th of May, 1919, and in 1920 the land was made available for grazing lease, and is now known as Ranche 21162.

N.E. 34-13-3-W. 4th Mer.

This was the lienee's pre-emption which was cancelled and made available for entry on the 9th of August, 1919, but was not posted subject to any seed grain indebtedness. On the 15th of September, 1919, Edward Wilkinson obtained entry as a soldier grant and did not execute any agreement to assume the indebtedness which charged this land.

29th May, 1931.

In acknowledgment of your letter of the 24th of February last. Your Ref. D-B-126.

Sir,

Re N.W.½ 24-15-3-W.4th M.
Edward Williamson.
Your Ref. B-1416.

I beg to acknowledge the receipt of your letter of the 11th of March last and I would advise you that this case has been the subject of correspondence with the Adjustment Board.

In the investigation of the matter by them, it has been pointed out that whereas Miss Williamson obtained entry for this land without knowing the intentions of the former entrant, Theophilus Leopold Tanner, letters patent were duly issued to Tanner, issue without the illness being attended.

I might say that there can be no objection to the carrying out the Adjustment Board's suggestion. It is suggested that your communication not be construed as a refusal.

Your obedient servant,

H. H. Rowe
Deputy Commissioner of Dominion Lands.

I have your letter of the 5th instant, and in reply would advise that this quarter section is included in Grazing Permit No. [illegible]2, which is held by Charles Miller of Alderson, Alberta. This permit expires on the 31st of March, 1953, and Mr. Miller has renewal privileges if he so desires.

The above quarter section contains 160 acres. The land is situated outside of the area reserved for settlement, and has been used only for grazing purposes. It is not likely to be farmed.

Re: Account of Mrs. Soffie B. Nelson,
N.E. 19-16-9-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $342.05 were advanced to Mrs. Soffie B. Nelson on the security of the above mentioned land. Payments of $75.00 and $83.57 were received in 1916 and 1917, respectively and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 177.58	$ 327.07	$ 504.65

Patent was issued in the name of Mrs. Soffie B. Nelson for the N.E. 19-16-9-W.4th on the 19th of May, 1914, and later became subject to the 1915 liens.

In 1927 the land became subject to forfeiture proceedings for non payment of arrears of taxes and title reverted to the Crown in the right of the Province.

In reply to our questionnaire of the 5th of November, 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:-

"I have your letter of the 5th instant, and in reply would advise that this quarter section is included in Grazing Permit No. 5192, which is held by Charles Miller of Alderson, Alberta. This permit expires on the 31st of March, 1953, and Mr. Miller has renewal privileges if he so desires.

The above quarter section contains 160 acres. The land is situated outside of the area reserved for settlement, and has been used only for grazing purposes. It is not likely to be farmed."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Dear Sir:

Re: Misc. 41-41-)-W4

This Department has an old account against the above noted land for advances of seed grain to Alex Gordon in 1915. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

This land is unalienated crown land and is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Re: Account of Alex Gordon
N.E. 1-21-9-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain amounting to $63.15 was advanced to Alex Gordon on the security of the above mentioned land. A payment of $64.70 was received in 1916 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 3.75	$ 6.62	$ 10.37

The N.E. 1-21-9-W4 was formerly the homestead entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 14th of June 1932, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This land is unalienated crown land and is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

The Officer taking this application for patent is requested to exercise particular care that the name of the homesteader is given in full and correctly spelled.

As the land dealing is an area of great [illegible]
is a subject of much discussion at frequently, it
is suggested that the above method be continued in these
cases, that is, immediately before the reservation of
the rights and benefits contained in the license of
occupation, the net area of land granted should be stated.

H.d.t.

patents, any areas reserved therein for which a grant is let simultaneously must of course be excepted from the gross area of the land and the description should read " and lands hereby granted containing by measurement---------- acres, more or less.

In connection with the last ruling I made a memorandum suggesting that if it was considered desirable to state somewhere in the text the net area of the land to be granted after there had been an actual reservation of a definite piece of land containing a stated area, such as a road, railway or school site, and a reservation of rights and liberties previously granted over a certain portion of the quarter section; then the net area might be stated by inserting the words, "the lands hereby granted, etc." directly after all reservations of definite areas of lands had been made, then make the reservation of the rights and liberties granted under the license of occupation at the end of the text just as the rights contained in the irrigation and similar clauses, are always reserved at the end of the patent. This method was approved and I have since then made all similar descriptions in this way.

There are also some cases where a patent is to be issued for two or more quarter sections or other parcels of land one from one of which, rights and liberties previously granted under a license of occupation are to be reserved. In these cases the total area [illegible] the net area stated same being noted in the margin on the patent containing the reservations of the rights and liberties granted by license of occupation.

DEPARTMENT OF THE INTERIOR
CANADA

[illegible] 9th February, 1910.

Memorandum:

Mr. Sheppard.

We homestead last regarding for south-east quarter of section 18, township 21, range 3, west of the 4th meridian, which contains reservations number 1, [illegible] and 4, for the Canadian Pacific Railway Right of Way, Station grounds and [illegible] sidings, also excepting and reserving thereout the rights and liberties previously granted to the Canadian Pacific Railway Company under a license of occupation dated the 16th January, 1910.

The wording used in describing the reservation from the patent of rights granted under a license of occupation has been changed several times.

On January, 1910, when we commenced granting patents of occupation over railway lands, [illegible] completed descriptions of metes and bounds and where no plan was given, it was decided to reserve from the patent for the quarter section, the actual area of the parcel described, and at the end of the list there was added, "and hereby granted containing by measurement [illegible] more or less." The first case to be dealt in this way was that of the south-east quarter of section [illegible], township [illegible], range [illegible], west of the 2nd meridian, Alberta.

At however, in the case of the south-
west quarter of section 24, township 17, range 3, west
of the 2nd meridian, this ruling was changed. A patent
was to be issued to the homesteader on this quarter
section reserving, ~~Parallel~~ right of way of the main
line of the Canadian Pacific Railway, also a reservation
for a pipe line for Moosejaw water supply, license of
occupation for which had been issued to the city of
Moosejaw. In this case the flat had been written as in
other similar cases, reserving the area of the lands
applied for in the license of occupation and the closing
sentence in the flat was, "the lands hereby granted con-
taining by admeasurement one hundred and forty-three and
twenty-six hundredths acres more or less." It was finally
decided, that,as only certain rights and priveleges were
granted, we should not reserve the area of the lands
over which they were granted, and that at the end of the
flat we should not use the words, "the lands hereby
granted, etc." even though there was also a reservation
of 13.09 acres for the Railway right of way. Accordingly
these words were crossed out, and flat issued herewith.

In June 1914, this question came up again. Flat
had been issued for the north-west quarter of section
24, township 18, range 11 west of the 3rd mer. con-
taining a reservation of 6.41 acres for Canadian
Pacific Railway right of way, and a reservation of rights
previously granted under a license of occupation. At the
end of the flat was the words, "the lands hereby granted
containing by admeasurement ---- acres, more or
less" were omitted. After discussion this point, in
addition to the case mentioned above where it had
been decided to omit these words, the following decision
was given and is in file 1910/0. "In all cases of
